Atty. Docket No.: 5914-066

TRANSMITTAL OF SUBSTITUTE SEQUENCE LISTING UNDER 37 C.F.R. § 1.821

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Applicants submit herewith copies of a Substitute Sequence Listing in paper and computer readable forms. The Substitute Sequence Listing corrects inadvertent errors and omissions discovered in the previous Sequence Listing, filed on January 18, 2001, in connection with the above-identified application.

Specifically, SEQ ID NO: 19, which corresponds to the "4818" protein sequence depicted in Figures 15A-S, has been corrected to include portions of the sequence depicted in Figure 15F. An additional non-specific amino acid (Xaa) was added to the end of SEQ ID NO: 21 and SEQ ID NO: 27 so that these sequences correspond to those depicted in Figures 15A-S. SEQ ID NO: 34, which corresponds to the "GAI" protein sequence depicted in Figures 13A-F, has been corrected to include portions of the sequence depicted in Figures 13A, E and F. SEQ ID NO: 35, which corresponds to the "RGA" protein sequence depicted in Figures 13A-F, has been corrected to include portions of the sequence depicted in Figures 13A, E and F. SEQ ID NO: 36, which corresponds to the "3989" protein sequence depicted in Figures 15A-S, has been corrected to include portions of the sequence depicted in Figures 15O-R. SEQ ID NO: 37, which corresponds to the "18310" protein sequence depicted in Figures 15A-S, has been corrected to include portions of the sequence depicted in Figures 15O-S. SEQ ID NO: 149, which corresponds to the 424-nucleotide "GAI" sequence depicted in Figure 29A-B, has been added. SEQ ID NO: 150, which corresponds to the 406-nucleotide "RGA" sequence depicted in Figure 29A-B has been added. SEQ ID NO: 151, which corresponds to the "21729" protein sequence depicted in Figure 15A-S, has been

added. SEQ ID NO: 152, which corresponds to the "10964" protein sequence depicted in Figures 15A-S, has been added. Coding changes, such as "<220>" flags, were added to comply with 37 C.F.R. § 1.823. No new matter has been added.

I hereby state that the content of the paper and computer readable copies of the Substitute Sequence Listing, submitted in accordance with 37 C.F.R. §§ 1.821(c) and (e), respectively, are the same. I hereby state that the submission herein under 37 C.F.R. § 1.821(g) does not include new matter.

Respectfully submitted,

Date: September 12, 2001
